

Front Desk

Description	Version	Ref #	Opt#
<p>Front Desk Dashboard – Speed Improvements In previous versions of Maestro, statistical numbers displayed on the Front Desk Dashboard were calculated each time the Dashboard Screen was accessed. A new Button called “Re-Calc Stats” is now available on the Dashboard. Should users wish to update the displayed statistics, this button can be selected when needed. Statistical information will no longer update automatically. All changes to existing reservations, newly created reservations, Group Master and Messaging information are displayed as they did in previous versions.</p>	5.2.140	136296	
<p>Suppressed Transaction on Email Confirmation When a specific marker called <em_payment.amount> was used on Email Confirmation forms, Maestro was displaying Posting Reversals and Transfers on the guest’s Email Confirmation. Maestro no longer shows Suppressed Transactions regardless of the marker being used.</p>	5.2.141	136027	

Timeshare/Condo Management

Description	Version	Ref #	Opt#
<p>Authorized Function – Update / Delete Owner Unit The Authorized Function TC 2 enables only clerk codes or clerk groups with the assigned Authorized Function to update or delete Assigned Owner Units.</p>	5.2.140	115526
